

Campout Checklist

Boys should arrive at the church per the Scoutmasters email; usually 5 or 5:30 pm, wearing their Class A uniform but without the neckerchief and slide.

This is a loose guideline for packing. Use common sense and always prepare for the worst.

Backpack (internal or external frame pack)

Sleeping bag (check the weather and make sure it's warm enough)

Sleeping pad (optional)

Pillow (optional; a pillow case with clothes stuffed in it works well and packs smaller)

Towel (a Sham-Wow is actually great for camping; small and light)

Trash bag for dirty/wet clothes

Camp Stool - small and packable in pack; not a folding chair (recommended)

Flashlight - Headlamps are recommended

Clothes (check the weather) -Include Class B shirt, hat, swimwear and at least one change of clothes and shoes.

Rain Gear (no matter what the weather says) just leave it in their packs always.

Mess Kit Water Bottle with carabiner to hook onto belt

Handbook Rope Pen

Toiletries: Toothbrush Soap (as if) Chapstick Sunscreen Bug Spray

\$10-\$15 for meals to and from campout

The 1st Aid kit they prepared for the Summer Campout

They should bring their own medications unless you need us to administer. Please remind me of any conditions I need to know about EVEN IF YOU THINK I KNOW.

DO NOT PACK CANDY OR ANY FOOD IN THEIR BACKPACKS. LEAVE ALL ELECTRONICS IN THE CAR OR THEY BECOME MINE FOR THE WEEKEND.
